

CERTIFICATE OF MEMBERSHIP

This is to certify that

WARD SECURITY LIMITED

has achieved the SIA ACS score required to join the ACS Pacesetters.

The ACS Pacesetters is an association of Security Guarding Companies, open only to those who have achieved the top 15% of assessed scores during their annual inspection, by an approved UKAS body, for the Security Industry Authority Approved Contractor Scheme.

All member companies have proved that they are a market leader in the security industry consistently providing an excellent standard of service to their clients and demonstrating a high degree of care for their employees.

The ACS Pacesetters is leading the field in recognising quality in Contract Security Guarding.
